Rihanna Illuminati Puppet

A screenshot of a promotional page for Rihanna's album 'Rated R'. The page features a large, stylized 'R' logo on the left. In the center is a large image of Rihanna's face with a single eye visible. To the right is a white, mechanical-looking figure. Text on the page includes: 'NEW ALBUM RATED R AVAILABLE NOV 23 09', 'RIHANNA EXCLUSIVE ALBUM PREMIERE HEAR RATED R TODAY', 'JOIN THE LIST', and a 'NEWS' section with dates and events: 'Today: Join an exclusive listening party for Rihanna's new album Rated R before its release!', 'Sunday Nov 22: Rihanna performs @ the American Music Awards on ABC 8pm EST', 'Monday Nov 23: Your Chance to Meet Rihanna in Person! Best Buy | Union Square New York City', and 'Tuesday Nov 24: Rihanna's first network'.

The screenshot clearly shows the one eye Illuminati imagery along with trans-humanism references.

Lady Gaga Illuminati Imagery Mash-up

Various images with Lady Gaga showing who her allegiance belong to

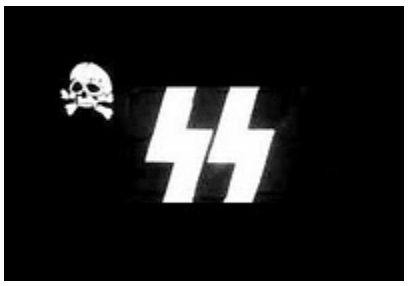

Lady GaGa wearing satanic baphomet goat-head symbolism.

If you look up any of her album covers or promotional material you will be sure to come across a lot of material that could be considered Illuminati imagery. She seems to be the main puppet for their schemes these days. What do I have to say about that?

Lebron James: The Illuminati Sports Puppet

The evidence of this is literally mind boggling. At the end of EVERY national anthem sung during a Cavaliers game, LeBron is seen pointing to the air, throwing up the Roc-A-fella diamond (pyramid), then throwing up the “3 sixes” hand gesture. Everytime. But here’s the interesting part: He’s only been doing it within the last two years of his career, which is around the same time frame of when he and Jay-Z have become so close. Here is some video footage of LeBron’s occult hand signs.
