

DEATH DAY

To day is the day,
The day has finally come,

3/27/23

I can't believe its here,
Don't know how I was able to get this far,
but here I am.

I'm a little nervous, but excited too,
Been excited for the past 2 weeks.

There were several times I could have been
caught, especially here in the summer of 2021.

None of that matters now. I'm almost an
hour & 7 minutes away.

Can't believe I'm doing this,
but I'm ready...

I hope my victims aren't.

My only fear is if anything goes wrong,
I'll do my best to prevent ~~any~~ of the song,
(God let my wrath take over my anxiety)
It might be 10 minutes tops. It might be
3-7. Its gunna go quick.

I hope I have a high death count.
