NEW: Secret Service director Kim Cheatle, good friend of Jill Biden and the new face of America's competency crisis, didn't post snipers on the roof where Trump was shot at because it was a sloped roof and she was afraid someone might slip and fall.

You can't make this stuff up.

sloped roof,' she told ABC News in an interview Tuesday.

'And so, you know, the decision was made to secure the building, from inside.'

What transpired instead was a security nightmare: Thomas Matthew Crooks was able to scale the building and secure his own position, while law enforcement struggled to locate him even amid pressing warnings from members of the Trump crowd. But there wasn't sufficient
