As Iran attacked Israel to avenge the killing of Hezbollah chief Hassan Nasrallah, former president [Donald Trump](#) went on his invective spree squarely blaming President Joe Biden and Vice President Kamala Harris for the unprecedented escalation. The attack came hours before the vice presidential debate between Dem Tim Walz and Republican JD Vance and won't be out of the shadow of the tension in Middle East.

Donald Trump said the world is at the brink of World War III courtesy the Biden-Harris administration.

“Under ‘President Trump,’ we had NO WAR in the Middle East, NO WAR in Europe, and Harmony in Asia, No Inflation, No Afghanistan Catastrophe. Instead, we had PEACE. Now, War or the threat of War, is raging everywhere, and the two Incompetents running this Country are leading us to the brink of World War III. You wouldn’t trust Joe or Kamala to run a lemonade stand, let alone lead the Free World.

“It is no surprise that Iran desperately wants Kamala Harris to be President, because they know as long as she is in power, they can take advantage of America. That is why they have tried to target me.

“If I was in charge, October 7th never happens, Russia/Ukraine never happens, Afghanistan Botched Withdrawal never happens, and Inflation never happens. If I win, we will have peace in the World again. If Kamala gets 4 more years, the World goes up in smoke.”

Trump said when he was the president, Iran was in total check. “They were starved for cash, fully contained, and desperate to make a deal. Kamala flooded them with American cash and, ever since, they've been exporting terror all over, and unravelling the Middle East,” Trump's statement said.

President Joe Biden said he and Kamala Harris convened the national security team this morning to discuss Iranian plans to launch an imminent missile attack against Israel. “We discussed how the United States is prepared to help Israel defend against these attacks, and protect American personnel in the region,” Biden said.

Iran’s official Fars news agency said the missile attack was a response to Israel’s assassination last

week of Hezbollah chief Hassan Nasrallah, in addition to its July 31 killing of Hamas leader Ismail Haniyeh in Tehran.
